

The background of the flyer is a light cream color, framed by a decorative border of autumn-themed illustrations. In the top left, a monarch butterfly is shown in profile, facing right. The top right corner is filled with large, vibrant yellow and orange flowers, possibly chrysanthemums, and several leaves in shades of green, yellow, and deep red. The bottom left and bottom right corners also feature similar floral and butterfly motifs. The text is centered and uses a mix of elegant cursive and bold, blocky serif fonts.
