

Hi Everyone:

I hope your evening is going well. In light of the current COVID-19 dilemma the AMIAS Certification Workshop scheduled for this Saturday has been cancelled. We plan to schedule several Zoom Meetings in April and May so all AMIAS which wish to re-certify will have the opportunity. The last week of March I will send an email referencing proposed dates for the Zoom Meetings. Please contact me should you require additional information - 469-441-9343.

Please take care and I am keeping each of you in my prayers.

Blessings,
Stephanie
